Wins Fire Prevention Award Again

FIRE DEPT. WINS AWARD FOR 13th YEAR

Fire Chief Al Hoelbl announced Niles Fire Department received its 13th consecutive first place award for fire prevention for communities in the Chicago metropolitan area. Niles is now in Class 2 (communities between 30,000 to 60,000). Hoelbl reported Lieutenant Gordon Michaelson was most responsible for the publishing of the material which aided in receiving the award, and he was praised for his outstanding job, amidst applause from the audience.

In other actions Niles trustees turned down one request Tuesday for the building of two homes on a 100 foot lot, requested a second petition for rental units in the congested Greenwood-Dempster area be ameliorated with neighbors, and announced a request for 904 apartments in the unincorporated area at Milwaukee and Central will be heard in the coming weeks.

Fred Bastello, owner of property at 9069 Maryland, was unanimously rejected by the village board, after receiving an okay from the Zoning Board, in his bid to build two homes on his property which has 100 foot frontage. Walter Krause, 9034 Maryland, spoke for many neighbors there who contended they moved to the area because of the large lots, and now objected to the proposal to build homes on halves of the 100 foot lot.

Basiello cited a similar project on other lots but was told the previous okay was given because it was a hardship case.

Mayor Blase said the Board is receptive to the community's interests and the trustees then over-turned a previous 3 to 1 zoning board approval.

In a second action Edward Walsh, Jr., 8100 Davis, desired to build rental units on Greenwood

The Hawaiian Caper .....

While all the other local newspapers glossed over Niles' officials Hawaiian caper, the Lerner newspapers may have been playing a little game of political footsie with the local pols which bears our interest.

Niles trustee Rich Harczak, who displayed an excessive amount of lather over our stories about the free ride taken at taxpayers expense, told us Lerner had called him about the story, implying it was to be handled most gingerly. Being the two men are friends, Harczak left the impression the story was being played down in the Life Newspaper.

Tuesday we received a note from publisher Lou Lerner pointing to the Dec. 9 news story in the Life about the trip. While we were pleased the story was printed, even though it was one week after it was first published in The Bugle, we became aware how newspapers can play "footsies" with their friends, the politicians.

In the editorial pages of The Life there wasn't any mention of the officials' junkets in "Lifeland" even though Lincolnwood and Niles had an overabundance of officials in Hawaii. But lo and behold, another Lerner newspaper, The Times, had a very strong editorial, which hit hard at officials in Northlake and Melrose Park, who went to Hawaii on the taxpayers money. Quoting from this editorial it states: "At any rate, we think the public is being taken for a ride when the bulk of village government jumps on a plane armed with expense money and first class tickets.

"A Northlake trustee who didn't go called the expenditure nothing short of 'stealing from the people.' And he said voters will not forget about the Hawaii junket when the next election rolls around.

"The Mayor of Schiller Park said he thinks too much taxpayer money is being spent for the convention.

"We agree with them both."

Since this Lerner editorial was good enough for the residents in Melrose Park and Northlake we wondered why it did not appear here in "Lifeland" as well. Certainly in "Bugleland" no Bugle staffers would dare soft pedal a story because they were friendly with public officials. And my, my, my, can you imagine the Bugle publisher calling up a public official and saying "Rich" or "Nick" or "Hey buddy, how should we play this story?"

JTCA Elects New Officers

Jonquil Terrace Civic Association held its annual election-dinner Oct. 22, at Lone Tree Inn. Because of their accomplishments, the incumbent officers were re-elected to another term of office. They are: President, Armand Plaza, 7501 Mulford, vice president, Ken Kay, 7514 Kirk, secretary, Dora Gramarossa, 7815 Oleander, treasurer, Diana Szymanski, 7459 Mulford, sgt.-at-arms, Vlad Bagel, 7807 Oleander, publicity, Joan Murray, 7441 Mulford, entertainment, Mike Poeschl, 7447 Mulford, chairman of the board, Bob Murray.

These officers invite comments, suggestions or information which pertains to the Village of Niles and in particular to the JTCA area bounded by Howard, Oriole, Oakton and Milwaukee.

Oakton Junior College Site

Oakton Community College expressed appreciation to the Illinois Junior College Board at its Dec. 10, meeting for its November approval of a 105 acre site adjacent to Maryhill Cemetery in Niles for the college campus. Selection of that site evolved over nearly two years of study by the college, a number of concerned citizens and professional real estate advisors. Approval by the Illinois Junior College Board of this site confirms the thoroughness with which that choice was reached.

The action of the Illinois Junior College Board clears the way for a bond issue referendum to finance a permanent campus for Oakton College. A date for the referendum has not been set, though late February, 1972 is the tentative target.

Total cost of the campus, the amount to be financed locally by the bond issue and the affect on district property taxes cannot be determined until a purchase price for the land has been established.

Speech Team Results

By Joel Levin

The Maine East speech team had its most successful week of competition as five members of the team placed first or second at the Thornridge tournament on Nov. 20.

Dyane Karp of Morton Grove placed second in dramatic interpretation, Cathi Karp and Dave Novak, both of Morton Grove, were first in duet acting, and in extemporaneous speaking Joel Levin and Jim Fry, both of Morton Grove, were first and second respectively.

Niles Firemen Host Mechanics Seminar

The Niles Fire Department, long recognized for their leadership in the firefighting field, established another "first" recently when they hosted the first fire department mechanics seminar held in the state of Illinois.

The two-day school, which drew 60 fire mechanics from 30 towns as far away as Normal and Waukegan was sponsored by the Illinois Professional Fire Chief's Association. The classes were conducted by recognized leaders in the maintenance field, such as Hugh Walker, columnist for Fire Engineering, Ralph Browne, an expert in alternators, regulators and electrical accessories, and Kenneth Hoffman, of the Hale Fire Pump company.

According to Niles Fire Chief Albert L. Hoelbl, the course covered all phases of mechanical repair and maintenance of fire apparatus. This, according to Chief Hoelbl, represents a substantial savings to village budgets because much of the work is able to be performed by on duty fire personnel. The school was so well received that a civilian mechanic for one of the nation's largest truck manufacturers which produces fire apparatus even attended. Because of the enthusiasm shown, Chief Hoelbl said, the school will become an annual affair.

At the same time, two Niles firefighters, Thomas Marcotte and Michael Riley, attended the 11th Annual Advanced Practical Course on Emergency Aid and Transportation of the Critically Ill and Injured, during a four day course given at the Chicago Fire Academy.

This brings to 36 the number of Niles firefighters to attend this school which was established in 1963.

More than 170 firefighters and ambulance attendants from the Midwest participated in what has become one of the most prominent seminars in the emergency first aid field in the nation. It is now presented twice each year because of the great demand for its information.

The course covers all phases of treatment including fractures, childbirth, burns, artificial respiration, shock and the extrication of victims from auto accidents. Instructors are choosen from a list of the leading experts, many of them medical professors at the leading medical colleges.

Chief Hoelbl said it is important that Niles firefighters keep up with the latest developments in this field especially since the deparment has been a pioneer in operating and emergency ambulance service in the northwest suburban area.

KC's Sponsor Tournament at SJB

North American Martyrs Knights of Columbus Council will again sponsor their fifth annual Holiday Tournament at St. John Brebeuf gym, 8200 N. Harlem, Niles. For 7th grade students the tournament will be played on the following days: Sunday, Dec. 19 from 1 p.m. to 8 p.m.; Monday, Dec. 20 from 6 to 9 p.m. (quarter finals); Tuesday, Dec. 21 - 7 to 8 p.m.; Sunday, Jan. 2 - 12:30 p.m. (3rd and 4th place); Sunday, Jan. 2 - 1:30 p.m. (7th grade cheerleading); Sunday, Jan. 2 - 2 p.m. (1st and 2nd place).

For 8th grade: Saturday, Dec. 18 from 1 p.m. to 8 p.m.; Sunday, Dec. 26 from 1 p.m. to 8 p.m.; Monday, Dec. 27 from 6 to 9 p.m.; Tuesday, Dec. 28 from 6 to 9 p.m.; Wednesday, Dec. 29 from 6 to 9 p.m. (quarter finals); Thursday, Dec. 30 from 6 to 7 p.m. (semi-finals); Sunday, Jan. 2 - 4 p.m. (3rd and 4th place); Sunday, Jan. 2 - 5 p.m. (8th grade cheerleading); Sunday, Jan. 2 - 6:30 p.m. (1st and 2nd place).

Chairmen Larry Skaja and Stan Niski stated this will be one of the largest tournaments in the area with an entry of 48 teams. Refreshments will be served.

Grand Knight Charles O'Grady informs us that in addition to the regular trophies awarded to the winners there will be special awards for the cheerleaders.

Come and see in action these 7th and 8th grade students, the future stars of tomorrow.

Appointed to Dist. 207 Board

At a special session of the Board of Education of Maine Township High School District 207 Monday evening, Dec. 6, E. Hoy McConnell, 1710 Glenview ave., Park Ridge, was appointed to membership on the board as a replacement for Wesley Hartzell, Niles, who resigned effective Dec. 1, McConnell will serve out the remaining four months of Hartzell's term.

A former member of the District 207 board, McConnell is well qualified for the appointment, having had considerable experience in board procedure and in all aspects of school operations. He concluded six years of service on the District 207 board last April. During his tenure on the board, McConnell served as board president, vice president, public relations chairman and chairman of the important education committees.

In speaking of the appointment, William P. Wuehrmann, president of the board, commented: "We are extremely pleased that Mr. McConnell will take on this responsibility and rejoin us on the board, especially at this difficult period when the board is faced with so many financial problems. We will certainly welcome the educational leadership he will provide."

Hartzell, whom McConnell will replace, was completing his sixth year on the board when he moved from the township and was unable to complete the last four months of his term in office.

Things You Can Give Your City

GET INVOLVED FOR A MINUTE

There are people who move mountains to get projects done. But there are plenty of others who do the little things. It's easy to be one of those and worthwhile, too. Next time you see somebody who looks like he might need help, offer it. Next time you suspect there may be a crime in progress, report it. When you see a need, however small, offer to fill it. You'd be surprised how many people are eager for a helping hand.

It's a helpful way to give all year.

GLAD-HAND SOMEBODY

With more and more traffic — you can help give the community a tinsel personality by helping tourists. Never mind those answers about how you can't get there from here. Tell a motorist precisely how to reach his destination. If you happen to have the time, take him there. It will give him a feeling for Niles he'll never forget.

It'll make you feel good, too.

IF YOU DON'T SMOKE, DON'T START

Doesn't it seem a shame that communities need laws to make citizens stop burning trash and leaves? Beat them to the punch. Give you scrap papers to a worthy cause. Bundle your trash for the garbage man. If it's something he can't collect, call for Friday pickup.

If everyone stopped burning, we might all get a misty feeling that's not from the atmosphere.

PLANT A TREE, OR RAISE THE ROOF

When plants breathe, the ecologists tell us, they help people breathe. Trees offer shade, breaks from wind and storm, decoration, even wood if it comes to that. In return all they ask is a little attention and some leaf raking. So for a few dollars you can plant one somewhere and dig it later along with everybody.

And don't say there isn't room for trees and plants. One unexploited source of space is on the roofs of buildings in the cities. If every building took up advantage of its roof space for some trees, or flowers — even a few vegetables — maybe everybody would breathe easier. And think how pretty we'd look for everyone who gets up in the world.

TAKE A CAN TO CRUNCH

There are more than 6,000 hands in Niles - not including the many, many people who work here. If, on a single day, everyone of those hands picked up a discarded can, smashed it and put it in a proper receptacle for disposal, think how much like Christmas it would be for the landscape. You even can carry that kind of a gift into the countryside — some highway berms are begging for attention and the highway crews will consider it a holiday, too.

GET ALL WASHED UP

O.K. so you're decorating for the holidays, making everything bright and clean. How about the rest of the year? (And we don't mean having the lights up until February.) Give that dirty car at the curb a scrubbing. Wash your windows. Hose down the front step. When the glitter of Christmas is gone, you'd be surprised how the gleam of cleanliness can brighten a city. After all the lights and holly are gone, some attention by everybody could make Niles like the girl so pretty she doesn't need makeup.

Modification of Maine's Education

Members of the Board of Education of Maine Township High School District 207, at a special session called Monday evening, Dec. 6, to canvass the ballots of the district's Dec. 4 Educational Fund referendum, expressed profound disappointment at the defeat of the referendum and stated their very real concern for the education program of the four Maine high schools. The Board had asked for a 27¢ increase in Educational Fund tax levy ceiling, from $1.63 to $1.90 per $100 of assessed valuation. Voters rejected the proposed increase more than two to one.

"By their strong 'no' vote last Saturday, citizens of Maine Township have clearly indicated their unwillingness to tax themselves further," commented William P. Wuehrmann, president of the board. "Unhappily, therefore, we have no choice but to modify Maine's excellent education program. We are asking the administration to recommend changes that must be made in each of our schools, in each department, in each activity, in all operations throughout the system, that will enable us to achieve a balanced budget. Our sizeable deficit must not be allowed to climb higher."

In the election 8,476 persons voted against the proposed tax increase and 4,130 persons in favor of it. The total vote cast was 12,644, with 38 spoiled ballots. In precinct #1 at Maine West High school in Des Plaines, there were 2,479 "no" votes cast, against 1,087 "yes" votes. In precinct #2 at Maine North High school, Des Plaines, the vote was 544 "no," against 405 "yes." In precinct #3 at Maine East High school, Park Ridge, the vote was 2,091 "no" and 844 "yes." Precinct #4 at Maine South High school, Park Ridge, registered 3,362 "no" votes and 1,794 "yes" votes.

Board member Roy O. Makela, Niles, suggested several action items for the board in its continuing search for additional income. These are:

1) Continue to work for parity in state support of public education for dual school districts.

2) Continue to work for legislation providing more state and federal support of public education.

3) Instruct the administration to continue making studies of possible changes in operations (resulting in reductions in costs) as is necessary to provide a balanced budget for school year 1972-73. Reports of studies to be made to the board; studies to include breakdown by school, by department, and by activity, with recommendations as to priority.

4) Instruct the administration to finalize their study and recommendations for changes in reimbursement for use of district facilities by outside organizations, including the Adult Evening school.

5) Study the possibilities for making boundaries of elementary districts feeding into the Maine High Schools coterminous with the high school boundaries.

6) Begin studies of the merits of the twelve month school year.

"Name Withheld" Replies to J.T.S.

Dear Mr. Besser:

This is in answer to the letter from Phyllis Peterson, Director of the Jefferson Theatrical Society, defending the Niles Talent Show.

I am "Name Withheld". First, I would like to state that I had my name withheld for fear of reprisal against my grandchildren, not myself.

Secondly, my grandchildren have never entered any contest and, I repeat, nor would I allow them to enter the "so-called Niles Talent Contest."

I would like to state that I have never made any phone calls to anyone in the Jefferson Theatrical Society, Niles Youth Commission, or the hand-picked judges. In Mrs. Peterson's letter she mentioned that she and members of the Jefferson Theatrical Society received anonymous and threatening phone calls of exposure, which only proves that many people who attended the talent show felt it was unfair after witnessing the judges decision on the two first place tied winners.

In following the local newspapers in the area, I have yet to see the list of winners. According to the talent show program I understood that the mayor of Niles was suppose to present the prize money to the winners on December 1. Was your Mayor too embarrassed also?

In reading Mrs. Peterson's letter I cannot understand how she can defend a talent contest that was unquestionably unfair. Certainly, a fair contest should not have the supervising members children participating. Unfortunately the talent contest not only cheated the losers but also the winners.

Come on, Mrs. Peterson, even Frank Sinatra could not have won if he was one of the contestants!

Protests Limiting Ballard Rink Skating

To Whom It May Concern,

Enclosed you will find a brochure on the Ballard Ice Skating Rink mailed to each resident in Niles. Will you please note the hours the rink is opened to the public – 28 in all. Example – Mon. 2-5, Tues. and Thurs. 11 a.m. to 1 p.m., Wed. 2:30-6, Fri. 1 to 4 p.m., etc.

Will you please tell me how anyone can use these facilities during those hours – No. 1, they are in school. No. 2, they are working. This is what I'm being taxed for plus the fact I must pay a fee to enter?

I live in the Nico Park area for 16 years. My children were able to go skating there right after school. I do not wish my children to belong on the Hockey Team, nor do I wish them to take skating lessons at a FEE. Yet my children are deprived of a skating rink in our park because they are trying to push the Ballard fiasco on us, the taxpayers. To top that off, how will they get there, and please note the hours open to the public.

Am I supposed to finance the Ballard Park Rink thru my taxes, pay an admission price should I desire to skate there, plus the fact the hours are during the time the children are in school. Or must I in addition, help to finance the elite who can afford to pay for the Hockey Team plus those who can afford to pay for skating lessons?

This is for ALL in Niles. Who is kidding whom?

Why must we in the Nico Park Dist. and the other 3 parks be deprived of an open skating rink? Is the price too high to maintain them? What a laugh after all the dollars spent on the goof they made at Grennan Heights gym plus the additional amount they now need to enclose the Ballard Rink.

An irate taxpayer fed up with the Park Dist. spending MY money

LETTERS TO EDITOR

Niles Youth Commissioner States Her Side—

To Name Withheld,

To the person who did not consider their letter published in the Dec. 2 issue of The Bugle, worthy enough to sign.

My name is Beverly M. Firmiss and I am a Youth Commissioner. During the 3 years that I have been on the Commission, we have had several talent shows and a great many other competitive events in this village. Never has there ever been any of the underhanded tactics that you suggest used in our competitions.

This contest was open to all children in the Village, including those children of the various commissioners and the Jefferson Theatrical Society. The drawing for one of the prizes was held practically under your nose. The judges chose the acts that they thought were the best and they did not see any of the acts before the show. The gentleman in charge of the show spent countless evenings trying to put on a program that was fair and that everybody would enjoy.

It is a pity that your associations with fixed shows lead you to believe that we are all that way.

Lutheran Church of Resurrection

On the Fourth Sunday in Advent, Dec. 19, at two identical services, 9 and 10:30 a.m. the Lutheran Church of the Resurrection, 8450 N. Shermer rd., Niles, will celebrate its fifth annual "Carol Service in Ten Lessons." This has always been a significant event in the life of the congregation. All three of the church's fine choirs will present special anthems and carols. There will be special instrumentalists for the service and the theme will be centered around the journey of man from the creation to the Christ in Ten Lessons. This year the lessons will be read as choral readings by a group of youth and adults being coached by Terri Doremus. They are: Donna Bell, Jane Miller, Evelyn Christensen, Terri Doremus, G. Victor Main, Donald Nelson, Janet Larsen, Diana Olson, Cathy Shurson, Barbara Raymond, Steven Miller and Dan Boyk. Also at the services the Sunday Church School children will participate in a special way to enhance their sense of the significance of Christ's coming. The community is encouraged to participate in this stellar Advent event.

Niles Community

On Sunday, Dec. 19, the combined Choirs of the Niles Community church (United Presbyterian), 7401 Oakton st., will present their annual Christmas "offering" during both the 9:30 and 11 a.m. worship services. The Pastor, Rev. D. Douglas Seleen, will speak on the deeper meaning of Christmas. Care for toddlers through 2-year-olds will be provided. Church school classes for 4-year-olds through eighth graders will be held at 9:30 a.m., and for 3-year-olds through eighth graders at 11 a.m. The Inquirers Group for high school students and adults will meet at 9:30 a.m.

That evening, at 7 p.m., the "Youth: American-Style" (junior high) group will meet at the church and then go caroling at the homes of shut-ins.

Activities during the week of Dec. 20 will include: Tuesday, 7:30 p.m. - Board of Deacons; Wednesday, 7 p.m. - high school "drop-in;" Thursday, 7 p.m. - Junior Choir rehearsal, 8:10 p.m. - Senior Choir rehearsal; and Friday, 7:30 p.m. - family oriented Christmas Eve service, 11 p.m. - traditional candlelight Christmas Eve service. Wilson terr., the Morton Grove Christmas Seal campaign chairman.

Holly Miller Wins Sewing Contest

Still another Maine East sophomore has just received national recognition. Holly Miller from Niles, who has been sewing for only two years, was selected as a semi-finalist in the Singer Company's annual competition. Her prizes — seven days for two in San Francisco, all expenses paid, and $600 in cash.

An additional prize, a Touch and Sew maching was awarded to Holly as a result of winning the local area competition.

Each contestant was required to design, sew, and model a garment. Holly's entry was knickers, a vest of tweed-like polyester knit, and a body shirt. "It was really great meeting Dinah Shore, who hosted the fashion show, and Sheri Lewis, who was one of the judges," remarked Holly.

Classes for Diabetics

A series of four classes for diabetics will be offered by Lutheran General hospital, Park Ridge. Classes will be held at 7:30 p.m. on Jan. 5-6 and 12-13.

The series will be taught by clinical nutritionists and registered nurses on the staff of Lutheran General. Each patient must have approval from his personal physician to attend the classes, although the physician does not have to be on the medical staff of Lutheran General.

There is a $15 charge to cover instructional materials. Persons registering for the classes must attend all four sessions.

Among the topics covered are "Medical Aspects and Diabetic Emergencies," "Introduction to Diet and Diabetic Exchange System," "Food Preparation and Eating Away from Home," and discussion.

Reservations may be made by contacting the department of nutrition at Lutheran General. This is another community service offered by the hospital.

Puppet Theatre at Niles Library

"The Magic Nutcracker," by the Coleman Puppet Theatre, will be presented by the Friends of Niles Public Library, in conjunction with the Niles Public Library District, on Monday, Dec. 27 at 1 p.m. and 2 p.m.

"The Magic Nutcracker" is based on a tale by E. T. A. Hoffmann and the ballet of Ivanov with music by Tchaikovsky. This perennial favorite is dramatized by the Colemans with charming marionettes, colorful costumes and scenes, and of course, the much-loved Tchaikovsky music. It's a holiday treat for all children.

Tickets are free, but only tickets for the 2 p.m. performance are available at the Library.

Stock Reports Available at MG Library

The Morton Grove Public Library has been chosen by Standard and Poor's as one of six libraries in the Chicago area to test a new stock service. It is a service incorporating the familiar loose-leaf Stock Reports into a bound set to be published quarterly.

The preview sets are now available in the Library's Reference Room. As patrons use these reports, it is hoped that they will give their reactions to the service and the new format. Such reactions will help the Library determine patron use of, and demand for, information on companies whose stocks are listed on the New York Stock Exchange, the American Stock Exchange, and those sold Over the Counter. The response of patrons will also help.

Standard and Poor's make its decision as to whether to continue publishing the reports in the bound form.

Also included in the preview edition is the Encyclopedia of American Industry, which analyzes and surveys business of 1300 companies under major industrial categories, such as Aerospace, Banking, Electronics, Health Care, etc.

If patrons have investments and want to determine how the companies or industries are faring, they are invited to come to the Reference Room of the Morton Grove Public Library, use these preview volumes and then let the librarian know how they feel about it.

Berg Comes to St. John Brebeuf

Providing an enlightening as well as hilarious evening at the last meeting of the Holy Name men was Bill Berg. Berg, who replaced the retiring Howard Miller on WGN's afternoon drive-time show last Aug. 23, spoke on almost every topic as well as reminiscing his education at St. Mary's college (Winona, Minnesota) with several alumni who are members of the Holy Name. It was also Ladies' Nite (which the Holy Name sponsors annually) and Carm Mazucca and his cohorts prepared a buffet for all.

Brownie Troop 514

As their proud mothers looked on, thirteen little girls in new Brownie uniforms promised "to do my best to love God and my country, to help other people every day" as they became a part of Brownie Troop 514 in an outdoor Investiture Ceremony in St. Paul Woods.

The new Brownies, who attend Grove school in Morton Grove, are Susan Baumann, Adrianne Choyinski, Paulette Cocozza, Sheri Cooper, Jennifer Cruz, Catherine Edman, Cheryl Greene, Nancy Mau, Susan Nussbaum, Julie Payne, Tracy Singer, Anne Stuermer and Margaret Toth.

Members of the troop who welcomed the new scouts are Holly Andersen, Theresa Mau, Patricia McGrann, Michele Ryan, Dawn Strissel, and Jill Sultz. Their leaders are Mrs. Edward Andersen, Mrs. Robert Strissel and Mrs. Richard Mau.

MERRY CHRISTMAS

Receives Merit Award

Cliff Mielke on the right looks on as District Commissioner John Wydra shows the Merit Award presented to Mr. Mielke on his retirement as Cub Master after 4 years. Mr. Mielke has served the pack for a total of 6 years, starting as an assistant to Mr. Wydra who started the pack 6 years ago. The award was presented by the newly elected Cub Master Erwin Kutschke shown on the left.

Troop #73

In November, Troop #73 of St. Isaac Jogues in Niles had elections and formed new patrols. Senior Patrol Leader is Bob Kline, and the Asst. Patrol Leaders are Tim Haynes and John Hinterhauser. Their new scribe is Bill Stumpf, librarian is Norm Kolb and the quartermaster is Larry Mikeska.

The Raven Patrol Leader is Mark Swanson, Asst. is Andy Haynes. The Injuns Patrol Leader is John Duffy, Asst. is Ed Duffy. The Wolves have Steve Coutre for their Patrol Leader and his Asst. is Joe Hajost. Jim Smith is the Cobras Patrol Leader and his Asst. is Dave Betke. Hawks have Steve Reider for Patrol Leader and Chris Hilliard as Asst. The Owls have Jim Rasmussen as Leader and Eric Sutz as Asst. The Seals Patrol has Scott Minkley as Patrol Leader and Ned Griffin as Asst.

Two instructors were appointed and they are Tom Reider and Joe Turek.

Congratulations, all, and may you have a successful year.

On Dec. 15, the Troop will have their annual Christmas Party in the Church Hall.

In the meantime, Happy Holidays to one and all!

Troop 595

The Girl Scouts of Troop 595, St. John Brebeuf school, enjoyed an overnight camping trip to Camp Adahi, an official Girl Scout campsite in Glenview on Nov. 6 and 7. One of the highlights of the trip was a five mile hike which fulfilled a requirement under the Foot Traveler Badge. Each of the three patrols planned and prepared three memorable meals, one of which was made over an open fire. Two Senior Scouts, Kathy Ostruska and Mary Hanrahan added to the fun of this outing.

A Father-Daughter Dinner for Junior Scouts attending St. John Brebeuf was held at Bunker Hill Country Club on Thursday, Nov. 18. A family style dinner was served after which the dads were entertained by their daughters. A few lucky fathers were winners of door prizes.

In late October the troop members went on a hayride at Fleet Wing Farms in Palatine. The autumn countryside provided much pleasure and the girls enjoyed singing songs along with roasting hot dogs.

A hike to Miami Woods in early October began the troop's first outdoor activities of the year. The scouts hiked, joined in games, built three patrol fires and prepared an outdoor meal.

Troop 595 welcomed new Brownie members — Lori Boyle, Julie Herkert, Patty Kuhr, Donna Schuster and Nancy Stotz; and participated in a Rededication ceremony at their first meeting of the year. The girls lit three large candles while renewing the Girl Scout promise and a small candle for each of the Ten Girl Scout Laws.

Christmas carols are presently being rehearsed to be sung for the patients at Lutheran General hospital in Park Ridge this month.

The chaperones for these activities are Mrs. Ronald Ciecko, Mrs. John Shemroske, troop leaders; and Mrs. John Paton and Mrs. Jerome Duffy, co-leaders.

Explorer Post 175

Enthusiasm and Energy — that's exploring and it all happens in Advanced Explorer Post 175.

Last winter Capt. Hank Green gave the Explorers the opportunity to view Niles and vicinity from the air, at which time they also had a chance to familiarize themselves with the various instruments in his plane. A one day canoe trip, a Halloween party, an indoor pool swimming party, a ski trip to Alpine Valley, a day at the famous Milwaukee Zoo, and campouts to Black Hawk and Amaquansippi were other highlights of the past year.

This Co-Ed Post meets on the first and third Wednesday night of each month at the Oakton Manor Park Building, 8100 Ozark in Niles, from 7:30 to 9 p.m. Any interested high school boy or girl may contact Harold

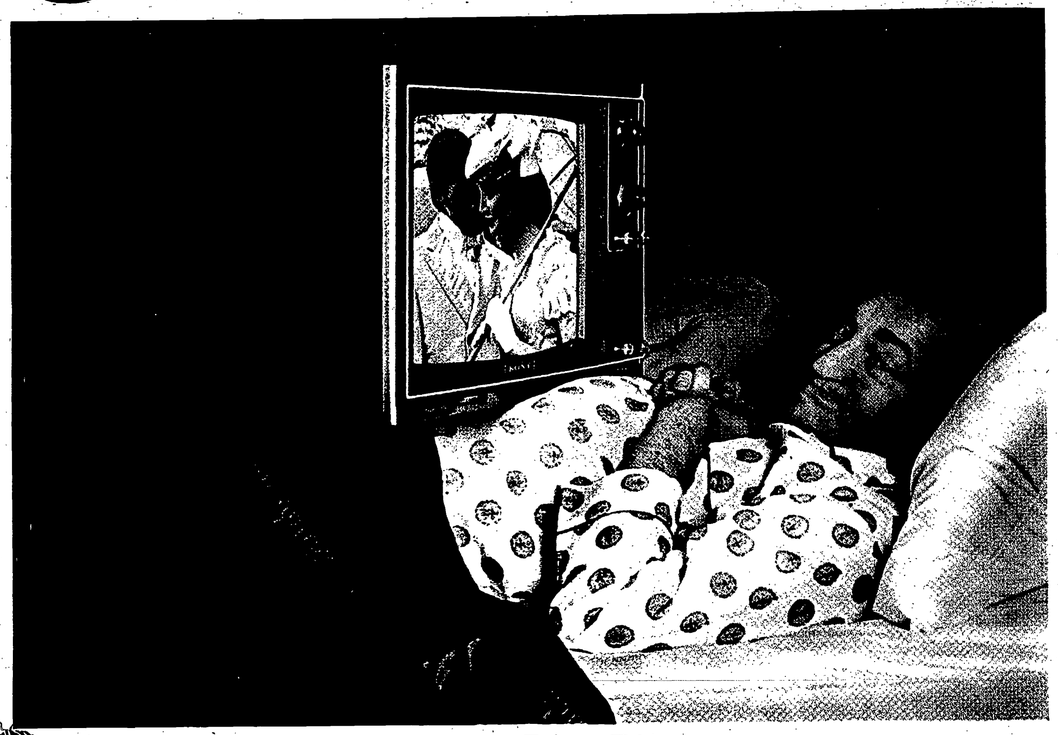
Sony Introduces 17."



We've come a long way from Tummy TV.

Today, we present Sony's big color set. The 17-inch* Trinitron.

A couple of years ago, we introduced the Trinitron system (a totally different way of producing a color picture).

People said a lot of nice things about our 9-inch* and 12-inch* Trinitrons. They said our picture was brighter and sharper.

In fact, people liked our sets so much, sometimes we couldn't keep up with the demand.

In two years, the only complaint we ever had was, hey, how come you don't make a big set? Well, there's nothing to complain about anymore.

Today, there's a 17-inch Trinitron.

As long as you don't put it on your tummy, it's as good as the small ones. **Trinitron** SONY COLOR TV

Oil Painting Class

This is your last chance to sign up for oil painting classes with the noted artist Norm Siegel. He will be teaching oil painting classes for beginners and advanced students starting January 13th. The classes are held every Thursday evening from 8 to 10. If your are interested contact Judy Czyzewicz at 965-7023 or write to the Morton Grove Art Guild P.O. Box 391, Morton Grove.

Psychologists' Counseling

District 207 students have the opportunity to participate in group counseling sessions at each of the four Maine schools.

Working with students at Maine East and Maine West is George Krueger, Richard Panek counsels at Maine South, and Victor Costanza works with Maine North students, with psychologist Krueger emphasizing that students meet in the groups to resolve their difficulties surrounding the school, social, familial, or perhaps crisis oriented situations such as drugs, etc.

Students, who either volunteer to participate or are recommended by a counselor, meet with from 8-14 students, the assigned psychologist, a counselor, or dean. The sessions run for 1 1/2 periods weekly for one semester.

It is the psychologists' feeling that with less available time to see students on an individual basis the sessions' have been quite successful, especially with adolescents, who find it easier to discuss difficulties with a group of their peers. The interactional feedback process is also greater.

Mr. Krueger comments, "I'm sorry that we did not do this sooner because the students involved are really exchanging ideas and getting into some crucial problem solving areas. We've all seen positive, therapeutic changes taking place since the sessions began."

In addition to the group counseling sessions, a diagnostic group meets every other week with students throughout the district referred to the psychologists.

Individual meetings with students are held from 8-9 a.m., from 9-11 a.m. group meetings are held, and from 11 a.m. to 12 noon necessary testing is administered for those students who need it.

From these diagnostic sessions several alternatives may be suggested by the psychologists to aid the students. Academic program changes, referral to an outside agency, meeting with a regular counseling group in school, or a special services program may be recommended.

Students Attend Horse Show

Members of Maine East's Riding club, under the direction of Mrs. Ethel Simons and Brina Krader, attended the Horse Show at the International Amphitheater on Dec. 4.

Students ride themselves each Wednesday at the Midwest Stables in Dundee, Illinois.

J.T.S. Seeks Talent

The Jefferson Theatrical Society, a Northwest Suburban Community Theatre group with members from Skokie to Arlington Heights has just completed their writing schedule for their latest production to be held at Jefferson school at the beginning of March, 1972.

The J.T.S. is interested in expanding their ever growing group of talented people interested in any capacity of the theatre. Anyone over 21 who would be interested in performing in the chorus or dancing or acting is most welcome. The J.T.S. is especially interested in locating some people who can play the piano, trumpet and the violin.

If anyone is interested in joining an active theatre group in any capacity contact the producers, Steve Miller, 825-5793 or Marion Stitt, 825-3610.

Mass Casualty Drill at Lutheran General

Thirty-four Maine East students participated in a mass casualty drill at Lutheran General hospital on Nov. 23.

The simulated disaster — a small airplane crashed into the tenth floor dining room of the hospital — acted as a check on the efficiency of the hospital staff in an internal disaster situation. The students participated as hospital employees and visitors.

Students participating from Niles are Pam Adams, Karen Greco, Sue Hohn, Sally Larson, Diane Michelotti, Kim Pappas, Lisa Shuster, Jerry Siegal, Jeanne Sill, and Susan Tross.

From Morton Grove are Lori Bender, Cindy Frontczak, Bob Goslin, Barb Lebudun, David Novak, Denise Pizza, Sandy Rapaport, and Linda Weiss.

Nine students from Des Plaines were involved. They are Joan Bernstein, Francine Bloom, Pam Buttliere, Corky Cohn, Denise Edelman, Donna Handzel, Jan Heiteen, Dave Sconce, and Merilee Sohmbers.

Rounding out the list are the following Park Ridge residents — Jan Broustis, Rosanne Goelz, Patti Grippo, Julie Hillebrand, Melissa Milling, Luna Wells, and Mary Lee Womack.

Legion Plans Yule Party Sunday

The annual family open house will be held at the Morton Grove American Legion Post #134 Memorial Home this Sunday, Dec. 19 for Legionnaires, Auxiliary members and their wives and husbands and children.

Chairman is Sr. Vice Cmdr. Frank Hilbert.

He says special Christmas movies for the youngsters will begin at 2 p.m. There will be a kids' buffet of hot dogs, soft drinks, candy, etc.

Santa will leave a small gift for each lady, and an adult buffet table will also be available for the event which will last throughout the afternoon.

Legion Meets Tonite

Due to the Christmas holiday, the Morton Grove American Legion Post #134 will hold its usual monthly meeting a week earlier this month. Commander William Cunnally will call the session to order this evening at 8 p.m. in the Legion Memorial Home.

Second Jr. Vice Cmdr. Jerry Brice will serve a special holiday repast after the meeting including hotel round.

Service Officer Dan Scanlon says the membership generally has been in good health fortunately. However, past commander Bill Kramer is at home recuperating from surgery.

Project Toy Lift Push
by Dempster-Greenwood Association

For the sixth consecutive year the Salvation Army, through its "Project Toy Lift" has wrapped and sent 5,000 Christmas gifts to children of inmates of Chicago area prisons. Prisoners in the states' correctional institutions are given the opportunity to select individual gifts to be sent to their children at home. They sign the personal name tags enclosed with the gifts and there is no indication that the Salvation Army bought the gifts and guided them to their destination.

Helping with the wrapping and mailing were members of the Dempster-Greenwood Merchants and Professional Association. Shown above l. to r. are Brigadier Cecil Dye; Bruce Brown from Penny Brown; William Speicker, Fabric World; Debbie Casey, Dempster State Bank; Dr. Edgar Fox, Optometrist; Mrs. Gail Fox; Irene Daitchman, Hair Styling & Wig Salon.

The Association will honor the Salvation Army in the Dempster-Greenwood Plaza from Dec. 17-24.

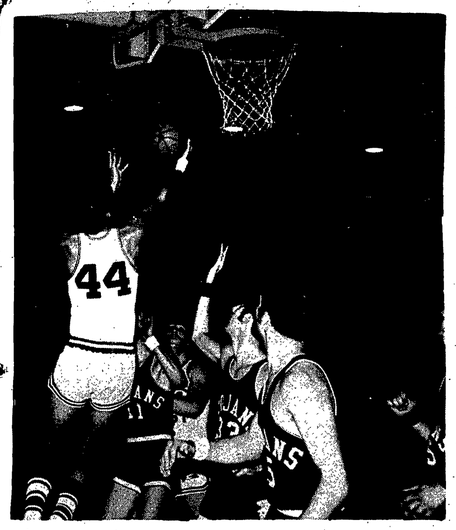
Demons Beat Trojans 68-66



Friday night, Dec. 10 the Maine East Demons beat the Downers North Trojans by a score of 68-66 in a thrilling game which brought the hundreds of spectators to their feet.

The well-played contest was very close with the Demons trailing 35-32 at the half and winning on a basket scored by Mike Faden with only 7 seconds left to play.

Mark Bondeson had another good night shooting well from both the outside and inside and scoring a total of 26 points while committing only 2 fouls.

Shown above is Mark who is 6' 8" taking a shot from under the basket during the first quarter.

Loyola Team Scores

The Loyola U. hockey team scored with 22 seconds remaining to tie Illinois Benedictine 4-4 in a college hockey game played last Saturday at the Ballard Sports Complex in Niles.

The Ramblers, entering the game with a 4-1 record against college opposition, were obviously overconfident against a team with a record of 1-4-1. Illinois Benedictine jumped into an early lead on 2 power-play goals at 2:55 and 5:35 of the first period, before Kowalski scored for Loyola at 9:10. The pattern of the game continued in this fashion; needless penalties by the Ramblers (24 minutes in all), also set the stage for 2nd and 3rd period Benedictine goals. Loyola did take the lead for almost 10 minutes in the 2nd frame as Winkler scored one at 2:27 and set up Steve Dimas at 6:51. However, Tony Spaniel found the nets at 17:41 with Loyola short 2 men on the ice to knot the game 3-3. The 3rd period saw both teams with good scoring opportunities but neither scoring. Then at the 14 minute mark with Loyola again short-handed Javors gave Benedictine the lead once again.

In the final minutes Loyola threw everything they had at the Benedictine net, but it looked like they would fail until John Kwasny carried from center ice deep into the Benedictine end, drew the defense to one side and dropped a perfect pass to Winkler only 10 feet in front of the net. The Benedictine goalie didn't have a chance and John tallied his 2nd in the game. Loyola will have to improve significantly for this weekend if they hope to keep their undefeated record at home intact.

On Saturday at 4:30 they take on Lewis college, one of the strongest Chicago area teams, and then on Sunday at 5 p.m. they'll tangle with Iowa State. Both games are at the Ballard Complex and promise to be exciting matches.

Santa Party

We have just received word from the North Pole that Santa Claus will be visiting the Niles Park District on Saturday, Dec. 18. He will be the honored guest at the 2nd annual Santa Party. The festivities will take place at the Grennan Heights gymnasium, 8255 Oketo on Dec. 18. Santa will greet the children and distribute chocolate treats between 1 and 4 p.m. Santa will announce the winners of his free raffle, for toys in his Christmas bag, at approximately 3:45 p.m. A Christmas carnival of games will be held in the gymnasium. Swimming

A new program for swimmers will be starting Saturday, Jan. 8, 1972. For boys and girls who already know how to swim this class will offer an opportunity to earn Jr. and Senior lifesaving cards from the Red Cross. The class will be held from 11:30 to 1:30 p.m. at Maine East High school pool. Instructor is Paula Blake, holder of the Red Crosses W.S.I. and with the Park District since September. (Fee for this program is $10.) The program will incorporate improved swimming style, endurance and basic lifesaving techniques. Every boy and girl will receive individual instruction plus plenty of free time to practice what they have learned.

Tiny Tots

Another addition to our program lists will be the first program ever for the under 3 year old age bracket. A tiny tots playschool to be held at the Maine Township Jewish Congregation has just opened for registration. Open for all children who will be 2 by Dec. 31, 1971, the program will offer recreation geared especially for this age bracket. To be held on Tuesday and Thursdays from 10 to 11:30 it offers enough time for enjoyment and education, but still hold their attention. An experienced staff will plan a one hour Pre School program. Cost for a ten week program is just $25. To register, a birth certificate must be shown for each child. Children need not be trained.

Ladies Slim and Trim

Don't miss an opportunity to start the New Year out with a new look. There is nothing healthier than exercise and don't forget what it will do for your figure. Come and join a fun filled hour of exercise with music and friends. Classes will begin on Dec. 14 and will run for 10 weeks at Stevenson school from 8 to 9 p.m. Fee os $10. Instructor is our well known Ilene Heichman.

Modern Dance

This class offers an opportunity for junior high school girls to learn the latest inance movements to popular music. The instructor is Ilene Heichman. Come out and learn to dance!!! This class will be held on Tuesday from 7 – 8 at Stevenson beginning Dec. 14 thru Feb. 15. All girls from 4th grade through junior high. Fee is $10.

Cheerleading

For girls from 4th thru jr. high age. The program will offer jumps, yells, and a few cheers. This is great fun and gives our young ladies an opportunity to have a general knowledge of cheerleading skills. The program will be from 3:30 to 4:30 for 4th, 5th, and 6th graders on Thursdays starting Jan. 6. For junior high girls the program will be from 4:30 to 5:30 also on Thursdays with the first meeting on Jan. 6. The fee for the program is $3. Cheerleading is a 10 week course.

Golf-Maine

Mother's Little Helpers

Again this winer Golf-Maine is offering its Mothers-Little-Helpers class. For girls kindergarten through fourth grade, this program offers practical lessons, creative outlets, and just plain fun. Cooking treats, sewing useful and simple items, learning about food, clothing, and learning generally useful personal habits comprise the program. But more than just a class Mothers-Little-Helpers gives girls 5 to 9 a chance to work together gaining new skills and using them in a group situation. The instructor will again be Michele Blitstein who adds a working knowledge of her subject to an excellent ability to work with girls of this age group. Two classes are offered to give girls a choice of times to attend. The program is on Mondays from 4-5:30 or 6:30-8 p.m. starting Jan. 3 and running for 8 weeks. The fee is $5.

Cheerleading

One of the most enjoyable programs we have offered in the past is back again. Cheerleading is a form of recreation combining athletic ability with personality, ability to work with people, and giving all of oneself to bringing out reactions in other people. For girls 4th thru junior high age the program will offer lead-up exercises, jumps, yells, a few simple cheers, and how to project to a crowd. Linda Koenig who was a cheerleader at Taft High school will be instructing the program. For 4th, 5th, and 6th graders the program will be from 3:30 to 4:30 p.m. on Thursdays starting Jan. 6. For junior high girls the program will be from 4:30 to 5:30 also on Thursdays with the first meeting on Jan. 6. The fee for the program is $3.

Theater Arts

A brand new Adult program is beginning this winter – Theater Arts. This program will be a starting point for other community projects in theater. Acting, characterization, directing, set design, make-up and exercises in psychodrama will be included, along with discussions in ideas for future productions. This is the perfect program for relaxation, creativity, expression of ideas, and meeting other people. Gail Turbin will be the group leader. Gail is a University of Illinois graduate and holds a B.A. in Theater Arts. She will guide and direct but this will be a program for and by the people in it.

Theater Arts will meet on Thursdays from 7-9:30 p.m. beginning Jan. 6 and lasting for 8 weeks. The fee for this lively organization is $10.

More News

Starting on Jan. 9 and continuing for ten Sundays the North Shore Trace gymnasium will be open from 9 to 12 and from 1 to 6 for all Park District and North Shore Trace residents at no charge.

For the first time Golf-Maine is offering a Jr. and Sr. lifesaving program where boys and girls can learn and practice their swimming skills and eventually win their lifesaving cards from the Red Cross. The class will begin on Jan. 8, from 11:30 – 1:30, and last 10 weeks for a $10 fee.

Coming up during the Christmas holidays are a whole range of Special Programs for people of all ages. There will be a trip to the Chicago Sun-Times building, to see how a newspaper gets printed. There will be a trip to the Mill Run Theater to see the play "Christmas Carol." Other events include a trip to the Museum of Science and Industry and on several days open gym time at the North Shore Trace gym. For exact dates and times of these special events call the Park District Office at 297-3000.

There is still time to register for all of the many and varied ice programs being offered this winter. For everyone there are ice skating lessons and free skating time. For boys in particular there are hockey programs for boys of all ages. There are hockey clinics for boys 8-15 years of age. There are also four different leagues for boys of the same age bracket divided 8-9, 10-11, 12-13, 14-15. Time will also be made available for a small charge for group of hockey players to use the brand new hockey rink now being constructed. There are also still positions open for volunteer referees and coaches for all the leagues. Anyone interested should call 297-3000.

Basketball registration has begun, and again this year we will offer two leagues for boys 4, 5, 6th grades, and 7th-8th. Added this year are a Mens League to be played on Monday nights, and a High School League to be played on Friday nights. For the younger player there are basketball clinics for boys 2nd thru 5th grades. Times and dates can be obtained by calling the Park Office.

The winter brochure, containing all programs, dates and fees will be out within the next week. If you are not already on our mailing list call the Park Office and we will make sure that you receive all of our mailings throughout the year. Also watch this space for further Park District information.

Attend Seminar on Fires

The problem of high rise fires was the theme of a two day Seminar recently attended by six Village of Niles employees, 3 from the Fire Department and 3 from the Building Department.

The Seminar was attended by over 400 persons which included Firefighters, Building Inspectors, Architects, Contractors, and Engineers. The Seminar was sponsored by the Chicago Committee on High Rise Buildings and the Illinois Institute of Technology, being held at the Institutes' school.

Those attending from the Niles Fire Department were Capt. Harry Kinowski; Department Training Officer, Lt. Gordon Michalsen; Director of the Departments' Fire Prevention Bureau, and Fire Inspector Alex Weber. Those attending from the Building Department were the Building Commissioner; Ben Mankowsky, Building Inspector; George Braun, and Electrical Inspector; Joe Salerno.

The Committee was formed after several deaths resulted from fires in some of the Cities fashionable high rise apartments. Among the subjects covered was the feasibility of fully sprinklered buildings, emergency power and the elevator systems, maintaining and establishing communications with the fire ground forces during a fire, and smoke control venting and evacuation.

Most victims of a high rise fire are overcome by smoke. Among the participants in the panel, Curtis Volkamer; Chief Fire Marshal of Chicago, Joseph Fitzgerald; Chicago's Building Commissioner, Rolf Jenson; Professor Fire Protection Engineering at I.I.T., and various representatives of architectural and construction firms.

new door to the Gemini Junior High School. His original intent was to build condominiums on the 1.7 acres but now desires the rental apartments. He desires to build about 22 to 25 apartments per acre for a total of 31 or 32 units on the 1.7 acres. This petition was denied by the Zoning Board.

Tom Biondi and Mike DeBartolo of Oak Street, spoke for about 25 neighbors attending the meeting, who objected to the building. Blase explained this area was annexed involuntarily, and the owner had received multiple zoning for the area when it was unincorporated. But after much discussion Walsh will meet with these neighbors in an attempt to agree on the number of units. It was mentioned 16 units might be satisfactory to neighbors. The petitioner will reappear at the first meeting in January.

Blase announced a third petition was received for 140 one bedroom units, 652 two bedroom units and 112 three bedroom units in the Milwaukee-Central area. No action was taken on the petition which will be decided in the County Zoning Board's meeting. Villages within the area are represented at the meetings and announce the feeling of its Board.

Is it possible Lincolnwood and Niles feed this newspaper legal notice business and they prefer to soft pedal a story, rather than jeopardize losing a few bucks?

We can't believe it's true. Please Virginia, tell us it isn't true!

While this is the season to be jolly, at Morton Grove's village hall it's the season to be silly. Ever since the defeat of the village manager referendum MG has been getting egg on its face in newsprint. They bought a fire engine which is too long for the fire station. A woman prisoner walks out of the station via a back window. The cell facilities are so deplorable they're condemned by an outside agency. One trustee lodges criticism there's nepotism in the village departments (this is a way of life in MG). One trustee accuses another of tampering with fire department personnel, by holding meetings with individual members and now the trustee himself is being investigated by the opposition trustees.

It all might be considered laughable if it wasn't so pathetic. Morton Grovers, like most residents in every town, haven't the slightest idea what goes on among their taxing bodies. Like their neighbors in Niles, they pay, and pay, and pay, and often get the short end of the schtick. In MG there's less money to throw around than in Niles, so the errors are more easily seen. In Niles the mountains of money which flow into the town can bury most excesses which occur there. If the guys there could have hidden their suntans that would have been one more excess nobody would have known about.

* * *

The ice rink dilemma in Niles is indeed typical of what we consider a good example of foolish spending. While Nilesites will be paying for years for the Ballard ice rink, the public use for skating is extremely limited. The hockey players from the Universities outside Niles, plus a minority of Niles hockey players, dominate this expensive ice palace. Public skating from 1 p.m. until 3 p.m. is certainly not serving the public there. And eliminating 4 ice rinks all over town certainly short changes the taxpayers who are paying for the Ballard Park ice rink, while not having ice skating for their own children.

Library Family Film Festival

The Morton Grove Public Library is presenting an opportunity to the families of Morton Grove to share a day of movies with their children. The Film Festival will be held in the meeting room of the library on Wednesday, Dec. 29. There will be two separate sessions - 10 a.m. to 12 Noon and 1 p.m. to 3 p.m. Admission is free.

The films will cover a variety of subjects including sports, nature, children's stories, fairy tales and comedy (Laurel and Hardy).

N. D. Foilsmen Begin Season

Notre Dame fencers have had a busy two weeks. They opened their dual meet season against Niles West and won it at the varsity level, 14-4 and at the frosh level 9-9 on touches. Against Marshall, last year's state champion runner-up, they won 13-5. The Dons were surprised by New Trier West in a 10-8 upset loss this past Thursday.

This past saturday, N.D. hosted the second AFLA fencing tournament. In the Under 14 age group, N.D. had one entry, Steve Basista, who took 2nd place. This was out of a pool of 12. In the 14-15 age group, there were 40 fencers. N.D. placed 7 of the top 12 finishers and in the final pool of 8, N.D. had 5. N.D. took a 2nd with Randy Mikos, a 4th with Bill Kica, a 6th with Pat Gerard, 7th with Ken Lavelle and 8th with Mike Sciortino. In the 16-18 age group, there were 42 fencers and N.D. had 5 of the 12 finishers. Paul Quiniff (ND '71) was first, Gary Berlak was 4th, Terry McConville was 5th, and Sam DeFiglio was 7th.

In Sabre only alumnus Paul Quiniff entered and took 3rd. In Epee, there were 12 entries and Gary Berlak took 1st, Tim Glass 5th, Terry McConville 6th and John Strass 8th.

All together out of the 15 trophies given out, N.D. took 5 of them, New Trier West was 2nd in trophies with 3 and Dixon with 2.

There were 112 fencers at the tournament in the 3 weapons. The next big meet will be on Jan. 22 at Thornton Fractional North.

Library Holiday Parties

The Friends of Niles Public Library District are busy arranging parties for the coming holiday season. On Wednesday, Dec. 15, at 1 p.m. there will be a party for the pre-school story hour children. A movie will be shown and each child will receive a gift and refreshments.

Monday, Dec. 20, the Library staff will be invited to a luncheon at the library at noon, served by Friends members.

The Friends have their Christmas meeting planned for Tuesday, Dec. 28, at 6:30 p.m. at the library. They plan a buffet supper and grab-bag exchange.

PET CIRCLE

By Sandi Horwitz

Choosing A Puppy For Christmas

Christmas is almost here and many people will have a puppy on that special list to Santa. Now is the time some decisions should be made; buy a puppy or not. Any puppy ready to go at Christmas is about 4 weeks or older now, so you'd better start looking. Many people prefer a mixed breed! My only objection to that is most owners of the puppies don't know who the father is. I am not knocking the mixed-breed dog and you will find many who make the best pets in the world, I prefer to know who both parents are.

Before selecting a puppy, there are certain things to consider. Where do you live? Do you want a long or short haired dog? Do you want it primarily as a child's pet? Do you have the time to brush and groom it every day? After all these areas have been covered, then you select the breed best for you and your family.

If you select a pure bred dog, contact the person who breeds that type of dog and tell him what you are looking for. Remember a large dog requires a lot of exercise! If you live in a four room apartment, you will be taking a lot of long walks, not all of them in nice weather. If your child or children are younger than 5 years old, I suggest not buying a small or toy breed of dog. Little people have a tendency to be too rough and tumble. Most small dogs can't take the abuse and may end up snapping and growling. Not that any child should be abusive to any animal regardless of its size. Larger dogs have a tendency to be more tolerant with small children, they also seem to be able to take more knocking around although they can get angry just as well as small dog if too much pressure is put on them.

If you are a busy person like I am, a short haired dog is better for you than a long-haired one. Most long-haired dogs take about an hour of your time each day to be groomed. If this is not done, you end up with tangles, snarls and matted coats. A lot of people don't care for the loose hair that floats around gathering everything. I have found short-haired dogs shed just as bad as long-haired ones, it just doesn't show up as much. You have to make the choice.

The most important thing to do when you purchase your new puppy is to make sure shots have been started even if they are temporary. Also ask if the puppy has been wormed. Make sure you pick up your pup, but a 24 hour health guarantee, giving you time to take it to your own vet to check out its health. Most professional kennel breeders have this policy. If they don't allow this ask them why. When the shots were given and by whom. Ask if their vet has a record of what was done, then take the vet's name and number in case of any difficulty later.

Most of all, remember when you get the puppy home, handle him as little as possible. Try to keep the children from playing with him the first few days, as you must handling can make him ill. Most of all enjoy him, he'll be with you a long, long time.

COME LET US ADORE HIM

Trustees . . .

Continued from MG P.1

Martin Ashman said he was quoted correctly and he said that the board should become an "equal partner" in this investigation. David Cohen said he felt this was not in order and the meeting called for on Monday night was also out of order. Much haggling occurred and finally the board defeated Ashman's motion 4 to 3 with Bode again casting the deciding vote. On the question of an agenda, Ashman moved that 3 days before a meeting the Administrator place a copy of the agenda in the hands of all trustees and he also moved that no board action be taken on any appointment unless the party shall file 4 days before a meeting or unless 5 trustees shall wave this action. The board voted to table the motion.

Herb Houndt read a report detailing the 5 year status report from Engineer George Holt dealing with street and sidewalk improvements. This report requested by the state said that work would be done which would complete work on the storm sewer to eliminate flooding and all streets would be fixed according to priority. The total amount of money to be spent is $1,056,053. all coming from MFT funds. Houndt also reported the public works dept. is removing signs on streets no longer designated as snow routes. Dick Hohs reported he attended the meeting of the NSTC.

Ed Brice told the board that Officers Mikula and Halas who were sworn into the police force last week finished very high in their graduating class at the Evanston Police Academy. David Cohen said that official notice has been received stating that the charges placed on communities by the county board for collection of real estate taxes has been withdrawn. John Hilkin told the board two resumes have been sent in by citizens wishing to serve on the Long Range Planning Committee and Martin Ashman said he had one more.

John Nordberg read the following ordinances. The first provided for an amendment to the Snow Route Code by deleting 4 streets and adding one. The board approved the ordinance. Next Mr. Nordberg read an ordinance involving the Adas Shalom temple in which a Special Use permit was requested to operate a full service temple at 6945 Dempster. Since there were several changes to be made in the ordinance the board decided to defer action until the next meeting. The next ordinance was also for a Special Use permit sought by Arthur Goebelt for a revision on his special use granting permission for the construction of 12 single roof covered garages to covered garages to be used for parking by residents of his condominium. The ordinance was adopted.

Warning . . .

Continued from MG P.1

and it burns with a surprising ferocity.

3. Pretty lights are the heart of the beauty of the tree and many times of the house. Pretty lights can also be the cause of a Holiday tragedy if they are improperly fused or an amperage higher than recommended or if they are defective. Make sure they have the Underwriters Label and check them carefully for defects such as frayed wires or cracked sockets before putting them up. On the exterior of the house, use only lights which are approved for EXTERIOR USE, NEVER USE CANDLES FOR CHRISTMAS LIGHTING PURPOSES.

4. Do not use any type of flammable material as a decoration around the base of the tree. Do not put the electric train or race set around the base of the tree as falling tinsel or parts of a metal ornament can cause a short circuit and fire.

5. Purchase a freshly cut tree which has been stored outdoors and leave it outdoors until you are ready to place it in its base. Use a base which holds water and be sure that the water level is maintained all the time the tree is in the house.

6. Locate the tree in the coolest part of the room. If necessary, turn off heat registers which will blow directly upon the tree and dry it out.

Sometimes in spite of care a fire will occur. Make sure that your family knows what to do if this should happen. How do they get out of the room where the tree is located? Who will run upstairs and get the baby and how will they then get out? Who will run next door and call the Fire Department (Assign alternates if children are used since they may be out at the time of the fire. This should not be necessary if adults are doing all the above since the lights should be out if they are not home). What is the Fire Departments telephone number? (965-2121). Where will the entire family meet outside so that a quick check can be made to be sure that there is nobody left inside who needs help and may have to be rescued by the Fire Department?

Remember, a Christmas tree will completely burn and ignite all combustibles near it in a matter of approximately 60 seconds. Do all of your emergency plans take this into consideration?

Remember to make Fire Prevention a year around habit. The officers and men of the Morton Grove Fire Department wish you and yours a safe and happy Holiday Season.
